A. PURPOSE

To ensure coordination between the Vocational Schools within Tokat Gaziosmanpaşa University, to increase cooperation between the business world and the Vocational Schools, and to work on solving the problems of qualified labor force.

B. MISSION

In order to gather the experiences of our twelve different Vocational Schools spread over a wide geographical area within the borders of Tokat province in terms of education, research and training the intermediate staff needed by the industry under one roof and to help make the right decisions; to create a participatory, sharing, researcher, free and contemporary education-training culture, to train individuals who are respectful to social values, have universal knowledge and application skills, and have high moral and professional qualities, and to ensure coordination between the Vocational Schools affiliated to Tokat Gaziosmanpaşa University and the business world.

C. VISION

To be a coordination board that has made a name for itself at national and international levels with the high quality standards it targets in vocational education and training and its competence in providing its graduates with application skills; to produce effective solutions to meet the qualified workforce needs of the future in constant cooperation with the business world, to have a total quality management approach, to be democratic, transparent, open to communication and change.
